This new modern-inspired range includes lavatories and wall-hung toilet that create a sensual experience in the bathroom with the contrasting forms, textures and materials.

Stillness blends ceramic pieces using fluid, asymmetric lines to evoke a feeling of draped silk. Create a relaxing bathroom environment by combining unique styles and textures, while its smooth, flowing design offers maximum storage. The sweeping design of the Stillness range incorporates an invisible overflow on the basins, concealed fixings for the toilet, optional brushed metal shrouds and slow close seats. Available in white color, the range has wall-hung toilet, vanity tops and Vessels lavatories.

As per Mr.Sharad Mathur – Managing Director, Kohler India Corp. Pvt. Ltd, “The Kohler Stillness bathroom offers co-ordination with flair. The lavatory is a broad, smooth expanse of touchable ceramic which brings to mind an upturned shell. It comes in white for a clean and hygienic look, which unites the entire collection. The wall-hung toilet features a wide, flat, attention-grabbing rectangular lid that give an individual and modern look to the suite. This is a bathroom that would add value to your home for many years to come.”
